

Marine Receivers/Speakers/Accessories

MXDMA80 – AM/FM/CD/MP3/WMA/WB Receiver
 • 1.0 DIN EDP Rust-Resistant Chassis • Conformal Coated Circuit Boards • 50 Watts x 4 • 1 Pair AUX Inputs • 2 Pair of Preamp Outputs • 1 Pair of Mono Subwoofer Outputs

MXDM70 – AM/FM/CD/MP3/WMA Receiver
 • 1.0 DIN EDP Rust-Resistant Chassis • 7 Channel NOAA Weather Band • Electronic Detachable Face • Conformal Coated Circuit Boards • 1 Pair Preamp Outputs • 18FM/12AM Presets • 1 Pair of Auxiliary Inputs (RCA) • 50 Watts x 4

XD642W – Receiver/Speakers Combo
 • Single DIN Marine Head Unit with (2) 6.5" Marine Speakers • CD/CD-R/CD-RW Playback • Detachable Faceplate • UV Resistant Faceplate and Trim-Ring • 18FM/12AM Presets • 1-Pair Outputs • **Speakers:** • Injection Molded Polypropylene Cone • Poly-Coated Cloth Surrounds • 20 Watts RMS/60 Watts Peak

MH100 – Marine Gimbal Housing
 • Protective Marine Radio Cover Protects against Damage and Harsh Marine Environment • Flip-down Smoke Tinted Cover • Constructed of UV Resistant Plastic • Fits Most 1.0 DIN Headunits • Rust-resistant Mounting Hardware

MWR30
 • Wired Marine Remote Control
 • Controls the following functions: Power, Volume, Track Up/Down, Mode Mute, Play/Pause/Band • UV-Resistant Housing
MXDM70 – MXDM80 Compatible

DMS652 – 6.5" Coaxial Speakers
 • Weather-resistant Woofer • UV Impregnated ABS Heat-Resistant Weather-proof Grilles • 4 ohm • 19mm Silk Dome Ferrofluid Tweeter • Magnetically Shielded • 175 Watts Maximum

DMS651 – 6.5" Dual Cone Marine Speakers
 • Weather-Resistant Woofer • Rubber Surround • Magnetically Shielded • UV Impregnated ABS Heat-Resistant Weather-Proof Grilles • 150 Watts Peak • 4 ohm • 11 oz. Magnet

DMS692 – 6x9" Coaxial Speakers
 • Weather-resistant Woofer • Rubber Surround • UV Impregnated ABS Heat-Resistant Weather-proof Grilles • 4 ohm • 25mm Dome Tweeter • Magnetically Shielded • 200 Watts Maximum
