

148GTL

- 40 Channels AM/80 Channels SSB
- 12 Watts Power SSB RF Output • Heavy Duty Dynamic Microphone • illuminated S/R/SWR Meter • Squelch and RF Gain Control • Switchable Noise Blanker • Brightness Dial Control

29LX

- 10 NOAA Weather Channels • Delta Tune
- Selectable 4-Color LCD Display • Tactile Controls • RF Gain • Adjustable Dynamike Boost • Switchable Noise Blanker • SWR Calibration • 4 Watts AM RF Power Output • Talk Back • Clock/Timer/Alarm • Four Pin Front Microphone Connector

29LTDCHR—Chrome Special Edition

- 40 CB Channels • Instant Channel 9
- Chrome Cabinet and Microphone • Blue Channel LED Display & Signal Strength Meter • Talk Back • Full RF Power Output • Antenna Warning Indicator • SWR Calibration • Switchable Noise Blanker

Built-in Bluetooth

29LTD BT—with Bluetooth® Technology

- 1-Touch Bluetooth Wireless Technology
- The First ever CB Radio with Bluetooth Technology • Auto Redial • Blue Channel Indicator • 4 Watts AM RF Power Output • Talk Back

29WXNWB T—Bluetooth/NightWatch/WB

25LTD—Classic CB Radio

- 40 CB Channels • Instant Channel 9
- Plug-in Type Dynamic Microphone with 9' Mic Cord • Switchable Noise Blanker • RF Gain Control • PA Function

25NW—Classic CB Radio

25WXNWB T—Classic CB Radio

19DXIV—Mobile Compact CB Radio

- 40 CB Channels • Instant Channel 9/19
- Heavy-Duty Microphone with 9 Foot Cord • RF Gain Control • Squelch Control

18WXST II

- 40 CB Chs • SoundTracker® • 10 NOAA Weather Channels • Instant Ch 9 & 19
- Squelch Control • Dual Watch • TX/WX Indicators • LED Signal Strength Meter • Front Mounted Speaker • Heavy-Duty Dynamic Microphone with 9' Cord

29NW—Classic CB Radio

- 40 Channels • SWR Calibration • Front Panel Microphone Connector • 9' Mic Cord • NightWatch Dimmer Control

29LTD—Original Classic

29WXNWB T—NightWatch/WB

75WXST—Compact

- 40 CB Radio Chs with SoundTracker System
- 10 Weather Channels • Instant Chs 9 & 19 • Full Featured LCD Display Panel • Squelch Control • Remote Mount Installation System • 10' Flexible Cord • Dual Channel Watch • 4 Memory Locations • Quick Disconnect

HH ROAD TRIP

- 40 CB Channel Handheld CB Radio • SoundTracker®
- 10 NOAA/Weather Channels • 4 Watts Power Output • Up to Four Mile Range • Omni-Directional Mic • Speaker Mic Jack • High/Low Power Switch • Magnet Mount Mobile Antenna (included)

HH38WXST

- 40 Channel 4 Watt Handheld CB Radio • 10 NOAA Weather Channels • Instant Channel 19 • SoundTracker™
- Battery Saver • DC Car Cord

LED60—LED Cordless Hook Light

- Hi-Beam Series LED 60 Hi-Intensity Cordless Light Bar • Up to 100,000 Hrs of LED Life • Weather Resistant
- Rechargeable • Up to 4 Hrs of use on one Charge • Magnet & 360° Swivel Hook • AC/DC Chargers Included

LED18—LED Cordless Flip Light

- Rechargeable • Up to 7 Hrs of use on one Charge • Up to 100,000 Hrs of LED Life

iRadar Detection System

All Band Radar/Laser Detector...Pairs with your iPhone

- IRAD 100**
- Full 14-Band Protection from X-Band, K-Band, KA-Band Radar, POP Mode, VG-2, all 6-Laser Types and Safety Alert • Bluetooth® Enabled Unit Easily and Quickly Pairs with iPhone • Displays Visual Alerts from the Detector on the iPhone • Provides 360° Protection • Alerts to Speed and Red Light Cameras, known Speed Traps and Dangerous Intersections • Reduce False Alerts with City/Highway Mode • Speedometer & Compass • Auto Mute • View Alert History on the Radar Map View • Free iRadar Application Download
- IRAD 105 – For Smart Phones except iPhones**

iPhone not included

Radar Detectors

XRS9970G

- 15-Band S-XRS™ Maximum Performance Digital Radar/Laser/Safety Camera Detector w/Touchscreen Display • ExtremeBright DataGrafix™ Display
- Includes GPS Locator • Detects and Alerts to VG-2 & Spectre Radar-Detector-Detectors • IntelliMute™ and IntelliShield™ False Signal Rejection System

XRS9965

- 15-Band S-XRS™ Maximum Performance Digital Radar/Laser Detector w/Touchscreen Display • ExtremeBright DataGrafix™ Display • Detects & Alerts to VG-2 & Spectre Radar-Detector-Detectors • IntelliMute™ & IntelliShield™ False Signal Rejection System
- Optional GPS Locator available

XRS9645

- 15 Band Ultra Performance Digital Radar/Laser Detector with DigiView Text Display & Compass • POP Mode Radar Gun Detection • Strobe Alert® • Spectre I Undetectable • VG-2 Undetectable • Ku Band Detection • IntelliMute™ and IntelliShield® False Signal Rejection System

XRS9550G

- Hi-Performance Radar Laser/Safety Camera Detector
- 14-Band XRS™ High Performance Digital Radar/Laser Detector with DigiView® Text Display • Includes GPS Locator and Lifetime Subscription to AURA™ Database
- POP Mode Radar Gun Detection • IntelliMute™ False Signal Rejection System • Voice Alert

XRS9945

- 15 Band Maximum Performance Digital Radar/Laser Detector with Full Color ExtremeBright DataGrafix Display • IntelliMute and IntelliShield False Signal Rejection System • Car Battery Voltage Display

XRS9445

- 14-Band XRS High Performance Digital Radar/Laser Detector • Laser-Eye 360° Detection • POP Mode Radar Gun Detection • IntelliMute False Signal Rejection System • Voice Alert

XRS9345

- 14-Band XRS High Performance Digital Radar/Laser Detector • Laser-Eye 360° Detection • POP Mode Radar Gun Detection • IntelliMute False Signal Rejection System • UltraBright Data Display

ESD7100

- 9 Band Radar/Laser Detector w/Undetectable VG-2 Alert • 360° Laser Detection
- Spectre 1 Undetectable • Radar Signals: X/K/KA Super-wide Band/VG-2 Detector-Detector • Laser Signals: LTI 20-20 Laser/Ultra Lyte Laser/Prolaser/Prolaser III
