

Sound Deadener, Thermal Barrier Products

- Reduce Noise & Heat
- Stop Unwanted Sound
- Get Cool & Quiet
- Improve Stereo Quality

PART NO.	Description
Dynamat Xtreme	
10415	Xtreme Speaker Kit (2- 10"x10")
10435	Xtreme Door Kit (12 sq.ft.)
19405	Xtreme Trunk Kit (20 sq.ft.)
10425	Xtreme Hex Pak (4 sq.ft.)
10455	Xtreme Bulk Pak (36 sq.ft.)
10465	Xtreme Mega Pak (72 sq.ft.)
19100	Xtreme License Plate Kit
Dynamat SuperLite	
10612	SuperLite Tri-Pak (12 sq.ft.)
10648	SuperLite Bulk Pak (48 sq.ft.)
Other Dynamat Products	
11101	Dynaliner 1/8" (1 - 32"x54")
11102	Dynaliner 1/4" (1 - 32"x54")
11103	Dynaliner 1/2" (1 - 32"x54")
11905	The Hoodliner (1 - 32"x54")
21100	DynaPad (1 - 32"x54")
13105	Dynaplate (3 - 23"x30")
13100	Dynatape (1 Roll - 1/2"x30")
Tools	
10005	Wooden Application Roller
10007	Rubber Application Roller

Dynamat Xtreme

Dynamat Xtreme is the highest efficiency energy conversion, sound deadener available*. Xtreme is a selfadhesive, elastomeric "space age" synthetic rubber with a heavy 4 mil aluminum constraining layer. VECTOR™ Chemistry directs the noise causing energy into silent energy. Xtreme is also the easiest product to install. The super sticky rubber and heavy aluminum stretches and contours better than any other product on the market.

It's the First Step to a Great Car!

*Third Party Testing

Dynaliner

Dynaliner is the most effective automotive thermal insulator available. Dynaliner is a soft, self-adhesive closed cell rubber that resists oil and water. It will not hold water or promote rust or mildew like most under carpet padding. Dynaliner provides acoustic absorption and thermal insulation. Available in 1/8", 1/4" and 1/2" thicknesses, use the thickest one that your space will allow.

Dynaliner is the Second Step to a Great Car!

Dynamat and Dynaliner both reduce heat and noise. Dynamat is best for noise, but also reduces heat. Dynaliner is best for heat, but also reduces noise. Combined, you get the benefit of both products due to the interfacial thermal resistance for a super cool, quiet and solid vehicle.

Dynamat SuperLite

Dynamat SuperLite utilizes the same VECTOR™ Chemistry as Dynamat Xtreme in a thinner, and therefore, light weight selfadhesive sound deadener. SuperLite is 30% thinner and lighter and still out performs other brands of damping material. The gleaming blue alloy layer is 2 mils thick and helps you get a quieter car without the weight!

SuperLite Tri-Pak

SuperLite Bulk Pak

Dynamat Xtreme: (1) Mega Pak (2) Trunk Kit (3) Door Kit (4) License Plate Kit (5) Speaker Kit (6) Bulk Pak (7) Hex Pak (8) Rubber Application Roller (9) DynaTape

DynaPad

Using Dissimilar Layer Insulating technology, DynaPad solves the 2 most common automotive problems; exhaust system heat and low frequency noise.

The Hoodliner

Dress up your engine compartment and absorb engine noise with the Dynamat Hoodliner. The reinforced aluminized skin reflects 97% of radiant heat.
