

## High-Performance Remote Laser-Radar Detector

### PRO3600

- High-Performance Antenna w/Integrated Laser • Detects Laser Atlanta™ Stealth Mode • Ka Max Mode • Radar Signature ID • Laser Signature ID • Real Voice® • Tri-Colored LED • 4 Display Brightness Modes • Two Signal Strength Options • Three Auxiliary Ports for Optional Modules • Digital Outdoor Temperature Gage • Battery Voltage Meter • Mounted Horizontally, Upside Down, or Vertically
- Other Models Available!*

## Jump & Go

### Portable Jumpstart & Power Supply

- Jump Starts Wide Range of 12volt Vehicles (Cars/Trucks SUVs/Boats/Motorcycles/Garden Tractors/ATVs) • 200 Amps Starting/400 Amps Peak • Compact Pocket-sized Design Fits in Toolboxes/Consoles/Glove Boxes) • Colorful Shock Absorbing Silicone Cover • 5 LED Battery Power/Charging Level Indicator • Built-in Overcharge Protection • Holds a Charge for over 1 Year • Provides Multiple Jump Starts from Single Charge • Powerful Lithium Polymer Battery (Can be Recharged Hundreds of times) • Detachable Jumper Cables with Short Circuit Protection
- 2.1 Amp USB Port (Can Power and Charge Phones/Tablets/MP3 Players/Cameras and more) • Built-in High Output LED Flashlight, Strobe, SOS and Emergency Beacon Flashing Patterns • **Included Accessories:** 12v Charger/Home Charger/Jumper Cables Zippered Storage Case/User Manual

**WJS-3000B**–Black **WJS-3000R**–Red **WJS-3000P**–Pink **WJS-3000Y**–Yellow

## Scanners

### WS-1065

- Digital Desktop Scanner • SAME and All Hazards Weather Alerting • Alert LED • Audible Alarms
- Automatic Adaptive Digital Tracking • V-Scanner Technology • Hi-Speed PC Interface • Real-time Signal Strength Indicator • Spectrum Sweeper
- Multi-System Trunking • Skywarn Storm Spotter Functionality • Subaudible Squelch Decoder

### WS-1025

- Analog Desktop Scanner • SAME and All Hazards Weather Alerting • 200 Channel Memory • Data Cloning • Lock-out Function • Memory Backup
- Priority Channel • Scan Delay • Service Banks
- Skywarn Storm Spotter Functionality • Tune • PC Programmable • Telescopic Antenna

### WS-1080

- Digital Handheld Scanner • SAME and All Hazards Weather Alerting
- MicroSD Card • Full USB Interface
- Complete Radio Reference USA and Canada Database on MicroSD Card • Built-in Discriminator Output • Multi-System Trunking • 200 Scan List • Scan Set • Blacklit LCD
- SKYWARN Storm Spotter • Signal Strength Meter • Spectrum Sweeper
- Alert LED • Audible Alarms

### WS-1040

- Digital Handheld Scanner • SAME and All Hazards Weather Alerting
- Blacklit LCD • Alert LED • Audible Alarms • Data Cloning • Flexible Antenna w/BNC Connector • Key Lock • Automatic Adaptive Digital Tracking • V-Scanner Technology
- Priority Channel • High Speed PC Interface • Multi-System Trunking • Spectrum Sweeper • Subaudible Squelch Decoder • 3 Power Options
- Real-time Signal Strength Indicator

### WS-1010

- Analog Handheld Scanner • SAME and All Hazards Weather Alerting
- Blacklit LCD • Data Cloning • Lock out Function • Key Lock • Priority Channel • Memory Backup • Scan Delay • Service Banks • Spectrum Sweeper • Skywarn Storm Spotter Functionality • PC Programmable
- Tune • Flexible Antenna with BNC Connector

## Base/Mobile Digital Scanner Radio

### WS-1095

- Simple Menu Driven User Interface • Pre-loaded MicroSD Card Included
- Easy Updating via Internet • APCO P25 Digital Phase I & II • Multi-System Analog Trunking (Motorola, EDACS and LTR) • CTCSS and DCS Subaudible Decoder • SAME Weather Alerts • Service Search • User Upgradable CPU Firmware • Spectrum Sweeper • Remoteable Head via Supplied 6' Cable
