

## Power Supplies

Powers 12V DC Devices such as Cellular Phones, CB Radios, Scanners, Ham Radios, Autosound Systems, etc.  
Perfect for Home, Shop and Hobbyist

### PS52KX

- 46 Amp Constant/52 Amp Surge • Heavy Duty Rack Mountable Cabinet Heatsink • LED Condition Indicators • Built-In Cooling Fan • Short Circuit Thermal Protection • Overload Protection with Auto Reset • Crowbar Over Voltage Protection • Fuse Protected • Screw Terminal Connectors • Perfect for Home, Shop and Hobbyist

### PS36KX

- 32 Amp Constant/35 Amp Surge • Heavy Duty Cabinet and Heatsink • Built-in Cooling Fan • Short Circuit and Thermal Protection • Crowbar Over Voltage Protection • Fuse Protected • LED Protection Indicators • Screw Terminal Connectors • Non-Skid Rubber Feet • 3 Prong Grounded AC Plug

### PS26KX

- 22 Amp Constant/25 Amp Surge • Heavy Duty Cabinet and Heatsink • Built-in Cooling Fan • Short Circuit and Thermal Protection • Crowbar Over Voltage Protection • Fuse Protected • Electronic Overload Protection w/Auto Reset • LED Condition Indicators • Anti-Skid Rubber Feet • Screw Terminal Connectors

### PS21KX

- 18 Amp Constant/20 Amp Surge • Heavy Duty Cabinet Heatsink • Built-in Cooling Fan • Short Circuit Thermal Protection • Crowbar Over-Voltage Protection • Electronic Overload Protection with Auto Reset • Fuse Protected • LED Condition Indicators • Anti-Skid Rubber Feet • Screw Terminal Connectors

### PS14KX

- 22 Amp Constant/25 Amp Surge • Heavy Duty Cabinet and Heatsink • Built-in Cooling Fan • Short Circuit and Thermal Protection • Crowbar Over Voltage Protection • Fuse Protected • Electronic Overload Protection w/Auto Reset • LED Condition Indicators • Anti-Skid Rubber Feet • Screw Terminal Connectors

### PS15K

- 10 Amp Constant/12 Amp Surge • Convenient Cigarette Lighter Plug • Heavy Duty Cabinet Heatsink • Short Circuit Thermal Protection • Electronic Overload Protection with Auto Reset • Fuse Protected • LED Condition Indicators • Screw Terminal Connectors • Anti-Skid Rubber Feet

### PS12KX

- 10 Amp Constant/12 Amp Surge • Heavy Duty Cabinet and Heatsink • Short Circuit and Thermal Protection • Electronic Overload Protection with Auto Reset • Fuse Protected • LED Condition Indicators • Screw Terminal Connectors • Anti-Skid Rubber Feet

### PS9KX

- 5 Amp Constant/7 Amp Surge • Convenient Cigarette Lighter Plug • Heavy Duty Cabinet and Heatsink • Electronic Overload Protection with Auto Reset • Short Circuit and Thermal Overload Protection • Fuse Protected • Screw Terminal Connectors • Anti-Skid Rubber Feet

### PS7KX

- 5 Amp Constant/7 Amp Surge • Heavy Duty Cabinet and Heatsink • Electronic Overload Protection with Auto Reset • Short Circuit and Thermal Protection • Fuse Protected • Anti-Skid Rubber Feet • Screw Terminal Connectors
